### Side B

I Sincerely hope you enjoy this tap as much as I have enjoyed making it for you. In it, are some of my favorite performances, of both jazz and christmas music by some of the greatest artists of all time.

This tape was produced over a period of two weeks with the help of Jim and Sandy Doblin and Chuck Tumlinson. Their comments of the initial 100 minute recording assisted greatly in producing the final 90 minute recording that was made December 12, 1993.

Happy Holidays,  
Gary
